

CV Template of KATRD International Conference 2021

Name	Kiyoyasu Kurahashi		
First Name	Kiyoyasu	Last Name	Kurahashi
Country	Japan		
Organization	International University of Health and Welfare		
Current Position	Professor & Chair, Deputy Director		

Educational Background

- Bachelor of Medicine: Yokohama City University School of Medicine – Yokohama, Japan (March 1989)
- Doctor of Medicine – Yokohama City University Graduate School of Medicine – Yokohama, Japan (February 2000)

Professional Experiences

- 1991- Trainer, Department of Anesthesiology, Yokohama City University Hospital, Yokohama, Japan
- 1996- Visiting Postdoctoral Fellow, Department of Anesthesiology, University of California at San Francisco, San Francisco, CA
- 2002- Assistant Professor, Department of Anesthesiology and Critical Care Medicine, Yokohama City University Graduate School of Medicine, Yokohama, Japan
- 2005- Associate Professor, (same as above)
- 2007- Visiting Scholar, Division of Pulmonary and Critical Care Medicine, Department of Medicine, University of Washington, Seattle, WA
- 2011- Director, Department of Anesthesiology, Yokohama City University Medical Center, Yokohama, Japan
- 2017- Professor and Chair, Department of Anesthesiology and Intensive Care Medicine, International University of Health and Welfare (IUHW), School of Medicine
- 2020- Deputy Director, IUHW Narita Hospital; Director, Division of Anesthesiology and Intensive Care Medicine, IUHW Narita Hospital

Professional Organizations

- Japanese Society of Anesthesiologists (since 1991)
- Japanese Society of Intensive Care Medicine (since 1991)
- Japanese Respiratory Society (since 2004)
- Japanese Society of Respiratory Care Medicine (since 2013)
- American Thoracic Society (since 2002)
- American Physiological Society (since 2004)

- European Society of Intensive Care Medicine (since 2015)
- Association of University Anesthesiologists (since 2016)
- Asian Pacific Society of Respirology (since 2017)
- European Respiratory Society (since 2017)

Main Scientific Publications

Books

- 1 Wiener-Kronish JP, Sawa T, Kurahashi K, Ohara M, Gropper MA. Pulmonary edema associated with bacterial pneumonia. In: Pulmonary edema. M Matthay and D Ingbar eds. Marcel Dekker, New York, 1998 pp247-267

Journals (Original articles) (*: corresponding author)
