

# KATRD INTERNATIONAL CONFERENCE 2024

The 138<sup>th</sup> Congress of the Korean Academy of Tuberculosis and Respiratory Diseases

**Better Lungs, Better Tomorrow!**

Name	Diahn-Warng Perng	
Country	Taiwan	
Organization	Taipei Veterans General Hospital.	
Current Position	Chief, Division of General Chest Medicine, Professor, School of Medicine, National Yang Ming University	

## Biography

Diahn-Warng Perng is Chief of General Chest Medicine at the Department of Chest Medicine, Taipei Veterans General Hospital, Taiwan. He is Professor of Medicine in National Yang Ming University, Taipei. He had been the Secretary General of Taiwan Society of Pulmonary and Critical Care Medicine and the Head of COPD Assembly in Asia Pacific Society of Respirology.

Dr Perng received his medical degree in 1990 and subsequently trained in internal medicine and chest medicine at the Taipei Veterans General Hospital. From 1997 to 2000 he held The Overseas Research Studentship at the University of Southampton, at the completion of which he was awarded a PhD for his thesis on 'The proinflammatory actions of mast cell tryptase and agonists of protease activated receptor 2 on the human airway epithelium.'

Dr Perng's research is focused on understanding the inflammatory mechanisms and the repair process of chronic airway disorders, as well as their modulation associated with therapeutic intervention. He has published numerous papers in peer-reviewed journals, including the *JACI-In Practice*, *Journal of Immunology*, *the American Journal of Respiratory Cell Biology*, *the American Journal of Physiology*, *Chest*, *Lung*, *European Respiratory Journal*, *Critical Care Medicine*, *Tissue Engineering*, *Pulm Pharmaco Ther*, *PLoS One*, *Int J Chron Obstruct Pulmon Dis*, *Drug Des Devel Ther* and *Respirology*.

## Educational Background

Chung-Shan Medical University. Taiwan.

Degree: M.D.

PhD. University of Southampton, UK.

Awarded Ph.D. for thesis entitled

**"The proinflammatory actions of mast cell tryptase and agonists of protease activated receptor 2 on the human airway epithelium".**

## Professional Experiences

Chief, Division of General Chest Medicine,

Chest Department, Taipei Veterans General Hospital.

Professor, School of Medicine, National Yang Ming University

Head, COPD Assembly, Asian Pacific Society of Respirology. 2015-2017

Asia Pacific Society of Respirology Education Committee.

APSR-ERS Airway Diseases Liaison

Section Editor, Journal of Chinese Medical Association

Member of Council, Taiwan Society of Pulmonary and Critical Care Medicine

# KATRD INTERNATIONAL CONFERENCE 2024

The 138<sup>th</sup> Congress of the Korean Academy of Tuberculosis and Respiratory Diseases

**Better Lungs, Better Tomorrow!**

## Professional Organizations

Chest Department, Taipei Veterans General Hospital.  
Professor, School of Medicine, National Yang Ming University
